Adsit	1316

**Yesterday's election was a vindication of the administrative acts of Mayor Stuart and City Treasurer Sorrick. Mayor Stuart is re-elected with increased plurality over one year ago, which approximates 600. Mr. Sorrick has between 800 and 1,000 plurality. The balance of the city ticket has gone to the Democrats by small majorities, ranging from 150 to 250, with the exception of judge of the superior court. For that office Judge Burlingame received a plurality over Mr. Fales of about 1,000. The republicans elected their candidates for aldermen in seven of the twelve wards, returning seven republicans for the seven outgoing gentlemen of that political persuasion. This will make no change in the political status of the council. After May 1 there will be twelve republicans, eleven democrats, and Al. Gervais being the lone people's party representative.**

### RESULTS BY WARDS.

In the following tables, showing the numbers of votes cast for the various candidates, no record is made of the votes cast for Judge Grove. The vote given on judge of the circuit court is cast for Judge Adsit, democrat, and Moses Taggart, republican, respectively.
